

My dearest Sabeen ,

Since you entered my life, you've become my sukoon—the calm in my chaos and my constant light. I am deeply, madly in love with you, and as we approach our engagement, my heart is full of excitement for the life we'll build together. I can't wait for our future, for the moments in Hyderabad where we'll get lost in timeless conversations, and for the day I finally get to call you mine. I wrote these lines to capture just a glimpse of what you mean to me.

*May ki wo raatein, jab milna tha dastoor,
Teri aankhon ka kajal, mere dil ka fitoor.
Saj-dhaj ke aana tera, wo masoom si muskuraahat,
Har mulaqat mein milti thi, mujhe ek nayi si rahat.
Wo chandni raatein, aur tera mere paas hona,
Har gham ko bhulakar, bas tere khayalon mein khona.*

*Eid ka din tha, aur maine khana banaya,
Tere liye birthday ka surprise, chupke se sajaya.
Dost ko ishara kiya, aur cake ki wo mithaas,
Tera wo sharma kar muskurana, kar gaya dil ko khaas.
Wo khushi teri aankhon mein, jo main dekh pa raha tha,
Us pal mein hi, main apna jahan pa raha tha.*

*Bangles ka wo box, teri kalaiyon ki shaan,
Aur wo black dress mere chayan ki, teri pehchan.
Be-chain hoon dekhne ko, tujhe us haseen libaas mein,
Jaise koi haseen khwab, utar aaye meri pyaas mein.
Dil karta hai bas tujhe dekhta hi rahoon,
Teri adaon mein, apni saari zindagi likhta rahoon.*

*Ab sagai ki wo ghadi, sapna ho rahi hai poori,
Tu banegi meri, aur mit jayegi har ek doori.
Hyderabad ki fizaon mein, jab tera haath mere haath mein hoga,
Waqt tham sa jayega, bas mera aur tera saath hoga.
Baaton ka silsila hoga, bin kahe sab keh denge,
Zindagi ke har safar mein, hum ek duje ke ho rahenge.*

*Tu meri ho gayi hai, ab koi gham nahi,
Tere bina meri khushiyon ka, koi mausam nahi.
Ye rishta, ye pyar, ye wada rahe sada,
Tu hi meri dua hai, aur tu hi meri raza.*

Yours always,

Mansur.
